Thank you all for your support over the difficult year that was. It is still a bit touch & go if we are going to make it, unless the mandates are dropped soon. I am so sorry for all of you who have lost your jobs. Lets hope this year brings more free flowing energy & peace & harmony for all. Due to leaks we have had to close the Healing Room for January, but there will be space to rent Feb on. Talk to us or email for info. Regards Angi & the team.
