June 26 Newsletter:

Hi everyone. As many of you will know, we hit a wall last month & it looked like we may have to close. We have managed to come to a temporary arrangement with our landlords, so like the Phoenix rising from the ashes, we hope to be around for a while yet. We still have some hurdles if we plan to stay here, but I'm feeling more positive & intend to give it a go. Please support small local business if you want them to be around. After the month long sale when we were in limbo & not buying anything, the new section is a bit bare, so you are getting more quotes this month, but there are many more new titles coming. Stay tuned. Hope to see you all in store soon. Regards Angi

HELP REQUESTED!!!!

If anyone wishes to help us stay here & remain open, I would be very grateful for any assistance on getting the pagoda, gardens & concrete removed from the front of the shop. The pagoda just provides a convenient hang-out zone for the smoke shop people, a nice location for the beggars & anyone needing a little sleep & the vine totally blocks my signage. Customers are avoiding our area of the street & we are suffering greatly in lost sales. We need it all gone & returned to much needed car parks urgently. Please email Cairns Regional Council from their website, and/or your local councillor. Lets bombard them before the next meeting on Wednesday. Thank you, Angi
