

Crystal Ball Bookstore

May 25 Newsletter:

Hi everyone. As you know the crystal truck came in late March & as I was away in India, it didn't all get unpacked. New stock is still in the cabinets daily & there are some beautiful things. Come have a look. Also lots of new books & oracle/tarot cards. This is just a taste tease. :-) Regards Angi & the team.

Let Them Theory: Mel Robbins (\$35).

The new book millions are talking about. A step by step guide on how to stop letting other people's opinions, drama and judgment impact your life. Two simple words, Let Them, will set you free.

"If you are looking for that one person who will change your life, take a look in the mirror"

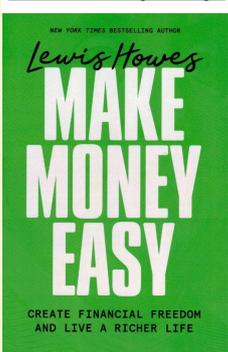

I Love You Mum: (\$18)

One of many lovely titles in stock, just in time for Mothers Day. There are also gift cards, Oracle cards & crystals especially for Mum, or she may like a bracelet, pendant or earrings. Choice is endless.

Don't forget the date, Sunday 11th May

Make money Easy: Lewis Howes (\$35)

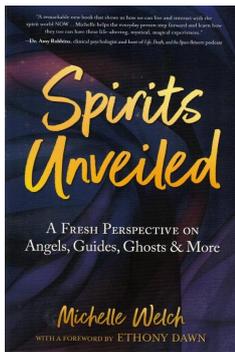

This isn't just another book about finances or investing. This is everything you need to own your worth, so you can earn more and create the abundance you desire. When you change your mindset around money, your entire life becomes richer.

"If you don't schedule a break for your body, it will take one for you & it may not be a convenient time or situation"

TAROT READER & NATURAL THERAPIST IN STORE EVERYDAY

Spirits Unveiled: Michelle Welch (\$35)

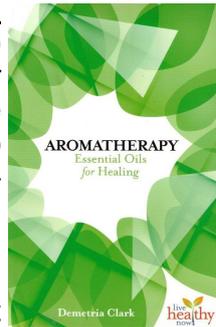

A fresh perspective on Angels, Guides Ghosts & more. If you can feel spirits, but wish to connect, you will learn how. Each chapter deals with a different kind of spirit & teaches you how to sense it, identify, connect & if needed protect yourself. It will boost your intuition & spiritual confidence.

Aromatherapy:

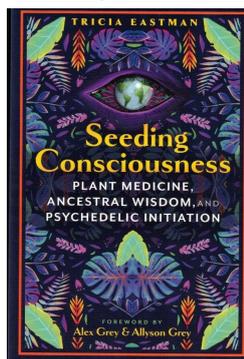

Demetria Clark (\$15)

Essential Oils for healing. A simple guide, with tools to gain a basic understanding of common disorders & natural wellness solutions. Also talks about health-enhancing foods, herbs & supplements.

"Over-thinking is the biggest causes of unhappiness. It doesn't change anything, just fills your mind with worry & doubt & steals your happiness"

Seeding Consciousness: Tricia Eastman

(\$35) Plant medicine, ancestral wisdom & psychedelic initiation. This is a wake-up call for our society, shining a light on what is possible, using natural ancient tools to expand our consciousness. Dive deep into the world

of initiation & ancestral wisdom, to journey to a place the author calls Seeding Consciousness. A must-read for all who seeks inner depth.

"The ego seeks to divide & separate. Spirit seeks to unify & heal"

Of course, New Oracle Cards

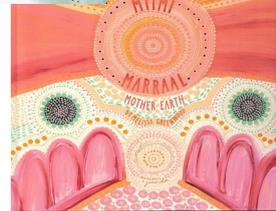

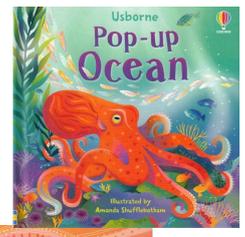

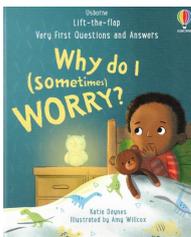

Healing the Inner Child Oracle: Nina

Mongendre (\$32) A journey into wholeness, with stunning artwork that speaks to your inner child. Reflections, visualisations & affirmations, with practical techniques to retrain your brain & find resilience & calm. The essence of the inner child healing lies in igniting the joy, innocence & love that is your birthright.

"A true teacher does not become your master. They lead you to your own light"

A few of our many new children's books.

Why do I (sometimes) Worry?: Katie Daynes (\$20). A lift the flap book of very first questions and answers.
