## March 2025 Newsletter:

Hi everyone. We have had a quiet time over Christmas & into 2025, as have most of the locals I talk to. I feel people may not be aware how close to the brink many local businesses are. Where you can, please buy local & support the small businesses, many of whom have been around many years. It would be a sad day if Cairns lost this diversity & city heart & there were no shops to browse in & let the tools choose you. Many amazing connections also happen in a hands on store. Thank you to my loyal locals for your on-going support. Regards Angi & team **Greenlights**
